PUBLIC WORKSHOPS

Public Workshops to Address Long-Term Local & Regional Growth Forecasts & Regional Housing Needs

SCAG is inviting local elected officials, planners and the general public to workshops throughout Southern California to obtain local feedback regarding the draft Integrated Growth Forecast. These workshops will assist SCAG in the development of the growth forecast that will serve the requirements of the Regional Transportation Plan (RTP) and Regional Housing Needs Assessment (RHNA).

These workshops will also assist in the allocation of the fair share of Southern California's housing need to each jurisdiction within the region.
